

How much is the change fee for Hawaiian Airlines?

When it comes to modifying your travel plans, understanding how much the change fee is on Hawaiian Airlines can save you time, stress, and money. Thankfully, Hawaiian Airlines has revised its policies in recent years, and in most cases, there is **no change fee** for flights booked in Main Cabin, Extra Comfort, or First Class. However, the rules can differ depending on the type of fare you selected and the route you're flying. To avoid unexpected costs or confusion, the best step is to contact Hawaiian Airlines directly at **[+1-877-622-0707]**. A knowledgeable representative can walk you through your options and let you know whether it's more cost-effective to cancel and rebook or pay the fare difference. For travel within the Hawaiian islands or between Hawaii and the mainland U.S., the change fee has been permanently eliminated on standard fares. Always confirm current international fare terms by calling **[+1-877-622-0707]**. The support team will ensure you have the latest policy details for your destination. It's especially important when dealing with award travel or flights booked using HawaiianMiles. These tickets may follow different change and redeposit rules.
